

DECLARATION

CALIFORNIA PROPOSITION 65

To the best of our collective knowledge at ASI Accurate Partitions, our partition products, as manufactured and supplied, comply with NSRL, MADL limits as outlined in Proposition 65.

The exceptions known to us are listed below. If and when we receive additional knowledge that would change these exceptions we will update our declaration.

Product	Chemical Present	warning
Plastic Laminate partitions	Methanol	This product can expose you to chemicals including methanol, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to: www.oehha.ca.gov/prop65.html

Information used to compile this declaration includes information from raw material and component suppliers.
